**Rank 1**

- China: 7%
- United States: 44%
- United Kingdom: 25%

**Rank 3**

- China: 7%
- United States: 44%
- United Kingdom: 25%

**LEARN MORE**

Investing in remote working capabilities also gives enterprises a safety-blanket to weather whatever life throws better than they were, rather than use it as a band-aid to keep the lights on.

If you've still not started planning for the future of branch office connectivity, you might want to start now.
